

For Immediate Release

February 7, 2012

MeetingOne® Announces Universal Voice Gateway Service For On-premise Adobe Connect services

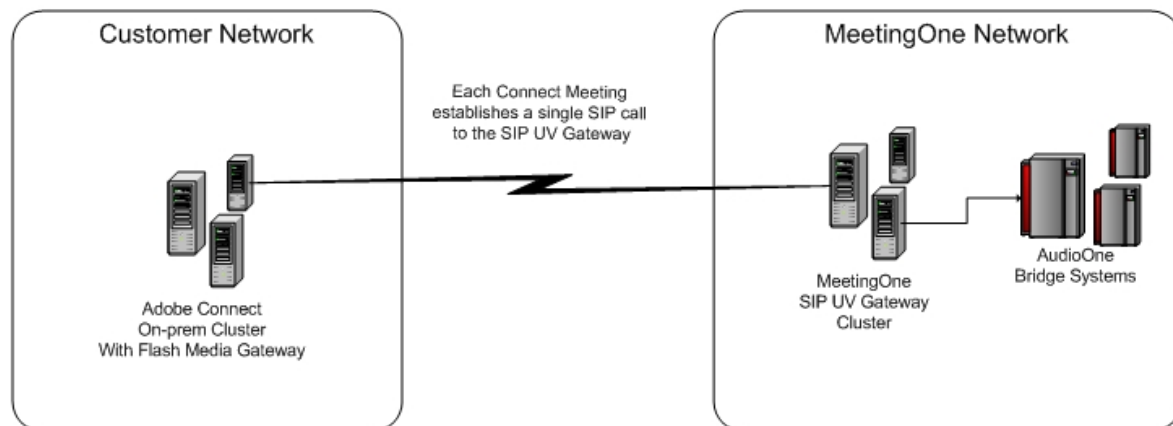

DENVER, CO – Leading the industry, MeetingOne now empowers On-Premise Adobe Connect implementations with the SIP Universal Voice (UV) Gateway.

With SIP UV Gateway all of your Audio interactions, whether it is via phone or via VOIP, are available for broadcast at all times and amongst all participants.

SIP UV GATEWAY BENEFITS INCLUDE:

- Integration for your Connect VOIP and conferencing audio
- Full duplex (two-way) audio
- Unified audio conferencing experience
- Native full-duplex SIP connection is established between services
- A more robust and reliable service with less conversion and a more direct connection
- Cost effective options

The MeetingOne SIP UV Gateway provides the key to your most complete meetings.

About MeetingOne
