

Integrated Audio Setup

What you will need:

- Company's Adobe Connect URL
- Administrator Credentials for Adobe Connect

Steps:

- 1) Log into your Adobe Connect URL (i.e. CompanyABC123.adobeconnect.com)
- 2) Click **Administration**
 - i. Click **Audio Providers**
 - ii. Click **MeetingOne EMEA**
 - iii. Click **Edit**
 - iv. Select **Enabled** from the Provider Status drop down
 - v. Click **Save**
 - a. Click **Account**
 - i. Click **More Settings**
 - ii. Under **UV Enablement for Integrated Telephony Providers** - Verify that **MeetingOne EMEA** is set to **Enabled** (if not, choose Enabled and then Save)
- 3) Each Host (license holder) will now need to create their own Audio Profile (See Audio Profile Setup)

The screenshot displays the Adobe Connect Administration interface. The top navigation bar includes 'Home', 'Content', 'Training', 'Meetings', 'Seminars', 'Event Management', 'Reports', 'Administration', and 'My Profile'. The 'Administration' menu is expanded, showing 'Account', 'Users and Groups', 'Audio Providers', 'Customization', 'Service Plan', 'Compliance and Control', and 'Administration Dashboard'. The 'Audio Providers' section is active, showing a table of providers:

Provider	Provider Status	Provider Type
InterCall	Disabled	Integrated Telephony Adaptor
PGI EMEA	Disabled	Integrated Telephony Adaptor
PGI NA	Disabled	Integrated Telephony Adaptor
MeetingOne EMEA	Disabled	Integrated Telephony Adaptor
Akadin	Disabled	Integrated Telephony Adaptor

The 'MeetingOne EMEA' row is highlighted. The 'Provider Information' form is visible, with fields for 'Provider Name', 'Provider Status', and 'Provider Type'. The 'Provider Status' dropdown is set to 'Disabled'. The 'Save' button is highlighted.

The 'Account' section is also visible, showing 'Security Settings' and 'UV Enablement for Integrated Telephony Providers'. The 'More Settings' link is highlighted. The 'UV Enablement for Integrated Telephony Providers' section shows a table of providers and their UV Capability:

Telephony Provider	UV Capability
InterCall	Enabled
PGI NA	<input type="radio"/> Enabled <input checked="" type="radio"/> Disabled
MeetingOne EMEA	<input checked="" type="radio"/> Enabled <input type="radio"/> Disabled
