Getting Started, continued

4. Click Start Conference

6. Select Call Host

5. Enter your phone number and click 😢

You will be connected as the Host

- End Conference/Log Out A pop up will appear choose Good-bye to end to disconnect all participants and log out of Click&Meet
 - If you do not choose to end the call and just close the browser the conference call to remain active and will terminate the call at ninety minutes by default, time set in the timeout call section or what has been set in OAM for the "Maximum Inactive Time" ** setting
 - You will be automatically logged out if the conference hasn't been started within 20 minutes of log in

**Inactive time starts when the last connected caller terminates their connection, conference will end
